The Incredible Boris,

Was simply that, incredible! On behalf of the activity committee and all colleagues at Deerhurst Resort I would like to thank you for an amazing show during our annual colleague party this past winter.

Your show was the perfect mix of humor, music and audience participation. Feedback gathered after the show quoted you as the “highlight of the evening” and people to this day still talk about the show itself. You showed true professionalism and were a joy to work with and we welcome you back any time you wish to visit with us.

Warmest Regards,

Rae Tretiak
