

## FAIRY GLEN DAY CARE CENTRE WHITBY, ON

October 23, 2024

We had the pleasure of hosting "The Incredible" Boris Cherniak as part of our annual Child Care Appreciation Event, which was attended by all of our child care educators. Boris delivered a fun, interactive, and motivational performance that allowed our team to engage and network in a relaxed, adult-focused environment.

Our educators were not only entertained but also enlightened by his insight into the power of the mind. We highly recommend Boris for any event you are looking to host. His performance added a special, memorable touch to our event.

Thank you,

Heather Mott, RECE  
Executive Director
