To Whom It May Concern:

**RE:            *The Incredible Boris Cherniak***

It is with great pleasure that I write this reference letter for the *Incredible Boris Cherniak*.

Our company celebrated 30 years in business this year and we wanted to do something extra special for this occasion combining it with our usual holiday party. Boris came to our attention and we were immediately impressed with what we saw.

Boris performed for our event that was held on December 21<sup>st</sup> and he did not disappoint! He was truly amazing and his performance was thoroughly enjoyed by all those in attendance. It was the talk of the office for several days afterwards with so much positive feedback.

I would highly recommend Boris for any occasion – corporate or private – without hesitation!

Sincerely

Mary Montagner  
Manager
