

We had Boris perform at our annual Staff Appreciation Gala in November 2023 We had some venue issues and Boris was “Incredible” to work with. From helping us look for another venue to changing the venue date last minute to support us. Thanks to Boris our gala went off beautifully. His performance was fun, exciting, and very entertaining. He was able to read the room and respond accordingly. Everyone had a wonderful evening.

Thank you so much for a great evening.
