RE: The Incredible Boris, Letter of Recommendation

To Whom It May Concern:

On behalf of the Directors and Members of the Sarnia-Lambton Home Builders' Association, I am writing this letter of recommendation for Boris.

Boris put on a fun performance for us at our Christmas party event and had everyone mesmerized from the beginning of the show. He was professional, family-friendly and courteous to everyone, especially to the members under hypnosis who were left with nothing to feel embarrassed about. His interaction with everyone provided a night of laughter and left everyone with a smile on their face.

We would recommend 'The Incredible Boris' to anyone looking for a fun and unique experience that would engage their audience and be talked about for quite a while.

Sincerely,

Scott Henderson
President
