Re: Lang Students' Association (LSA) Commerce Formal March 2022

Dear Boris,

I would like to take this opportunity to thank you for being the star of the night at our annual Commerce Formal event, presented by the Lang Students' Association (LSA) from the University of Guelph. You effortlessly brought to life our theme of 'A Night of Magic.'

Every attendee was captivated by your show as you engaged the whole audience and amazed us all. Of course, there were lots of laughs as well! Your passion for your work is evident and you were such a joy to work with. Our Events Team cannot recommend you enough. Thank you for your kindness, endless energy, and the excitement you brought to our event!

Kind Regards,
