PRESENTATION TOPICS

Program Your Mind for Success

Boris taps into an extensive background in programming, analysis, comedy and psychology to deliver a fun interactive presentation that is talked about for years to come. He combines the disciplines to deliver a keynote that creates leaders and visionary thinkers while demonstrating with concrete examples. Ideal for a leadership summit, kick off or closing keynote as it combines motivation with entertainment. High achievers set goals and envision success. Boris provides a simple method to program your mind for success that leads to a path of happiness and productivity.

You Can Do Anything

Author of a book that bears the name of this program, this unique and interactive demonstration of power of suggestion shows ways to overcome challenges and discover people's untapped potential. The format is fast-paced and entertaining. Embrace future with innovation, productivity, creative and positive thinking. Attendees learn to focus on maximizing their potential. This keynote or seminar is hilarious, interactive and informative.

Fear No Fear

Boris is a regular guest expert on talk shows, helping people with phobias, which makes him uniquely qualified to discuss how easily fears can be overcome. This presentation teaches attendees that there is nothing to fear but fear itself. Fear is learned and we all have them – public speaking, darkness and the unknown. The presentation helps attendees deal with change, fear, stress, and achieve goals.
